VietNam Holding Limited ("the Company")

VietNam Holding Limited (AIM: VNH) announces that as at close of business on 30 November 2008, its unaudited net asset value per share was US\$ 0.947.

The decrease in the Company's NAV of 12.3% echoed market sentiment as the VNI dropped 9.31%. Despite recent positive developments in the local economy in response to fiscal initiatives, investors seem preoccupied with the negative news dominating turbulent international markets.
